Return this form to: Your Student's School Office or Tara Serles (tserles@omaksd.org)

To ensure all students have equitable access to a high-quality public education, schools receive additional education funding based on the number of enrolled students who are from households that are at or below designated income levels. The Family Income Survey collects household income information to determine if the school qualifies for **additional funding** for other programs. The information provided may also qualify your student for additional supports. It is important that you complete this survey. **Complete one income survey per household.**

**Step 1:** List all students living with you and enrolled in school.

Student's Last Name	Student's First Name	Middle Initial	Date of Birth	School	Grade

**Step 2:** Are any of the listed students:  In Foster Care  Experiencing Homelessness  Receiving Migrant Education Services

**Step 3:** Do any household members participate in:  Basic Food  TANF  Food Distribution on Indian Reservation (FDPIR)

**Step 4: Income Eligibility Guidelines:** Figure out your total household income. Then look at the income chart below. Find your household size. If the total household income to the right is **equal to or less than** the amount listed for your household size, check the corresponding box. If your income is higher than the listed amounts, check the box at the bottom, indicating the household does not qualify.
